Agricultural systems Artificial intelligence in Central Asian countries and Kazakhstan

At 3:00 p.m. on Sep 27, 2023

The Alliance of Agriculture-associated Universities of SCO Countries was founded in May 2021, and it is an important cooperation platform for agricultural universities of the SCO states. Currently, it has altogether 21 agricultural universities from SCO countries. The Secretariat of the Alliance has launched the "Workshop Series on Modern Agricultural Development in SCO Countries" online in 2023. The Seventh session will be themed "Agricultural systems Artificial intelligence in Central Asian countries and Kazakhstan".
